Iowa Governor's Designation

Counties Determined to be Eligible for Rural Health Clinic Status 2009

Revised November 2011

Below 50,000 Population

Not Designated

Due to population changes in the US Census Bureau 2000 Population data - Projected to July 2007, Clinton County fell below 50,000 population and is no longer a MSA. Dallas County increased above 50,000 and is now a MSA. However, established RHCs in Dallas are grandfathered and remain eligible certified RHCs.

The designation criteria can be located at http://www.idph.state.ia.us/hpcdp/common/pdf/health_care_access/governors_designated_areas.pdf
